Leonard Shykind, President  
West Valley Pops Band, Inc.

Dear President Shykind:

Thank you for providing Westbrook Village Association in Peoria an opportunity to let our residents hear quality music at no cost. Many of our residents prefer not to travel in the evening. The fact that you're Pops Band comes to us and plays in our auditorium, gives all of our residents an opportunity to hear free concerts and narratives about the music. You not only provide quality music, but have raised the level of awareness of what they normally do not know about the music and the great part, it plays as being part of the arts. Your free concerts are very uplifting to our residents and we certainly want to support your sponsor with food for the Valley View Community Food Bank.

As you are aware, we are an active adult community. You bring a great spark of life to us with all your music and when you tell us how it relates to the well-being of our lives through various composers. You have played for us for a number of years now, and all our residents look forward to your next concert. Thank you for your continued professionalism and cooperation with Westbrook Village.

Sincerely,

Karen Jones, AMS, CMCA
